VICTORY FOR THE ORATORS DOWN EAST

Northampton, April 27.—The Bridgeport team by snappy fielding yesterday and ability to bunch their few hits won over Northampton 3-2 in a fast game. Gibbs was in the box for the visitors and pitched a heady game, being very effective when men were on bases. Even though the temperature was hovering around the freezing point it did not affect the Orators who played an errorless game. The game stood at 3-2 after the fifth inning. The score: BRIDGEPORT.

New Britain here to-morrow.

The Bank Wreckers will be without the services of the dinges from Cuba, who have not yet set sail for the Hardware town.

Holyoke will make her first appearance here Thursday. They include a pretty nifty bunch of sluggers, and a good staff of pitchers.

Pop Rising has written from his home in Idaho to Manager Zeller that he will report at once. He will be on time for the Springfield game here Saturday.

Seymour made his first appearance on the Polo Grounds against the Bostonians, yesterday, after his suspension which ended Saturday. Luck was with him, as in the first inning Murray and he came together in running after a fly and both went down for the count. Both were revived but worse luck was in store for St. as the next batter sent a fly to center, which Seymour caught; but as he settled on his left leg to throw the ball to the plate he collapsed. He had thrown his knee out and had

NATIONAL LEAGUE

New York, April 27.—The Busy B's, Bates, Becker, Beaumont, Beck, had just enough edge on the Giants to beat them in a tight but by no means a model game in point of skill or liveliness. The play was uneven and the New Yorks never could get together. Being considerably crippled, they showed the effects thereof and floundered more or less.

Marquard and Mattern, opposing southpaws, had an even thing of it for the most part, both doing well with men on bases and a break in the support likely to lose the game for either. Tenney made a two bager in the fourth inning, went to third on O'Hara's bunt and came in on Devlin's force of O'Hara. The Boston took the lead again as soon as they came to the bat. Sweeney pronged a double to right and galloped to third when Fletcher missed Marquard's throw to catch him. Smith was thrown out by Marquard, but Mattern slid a safety through the infield and brought Sweeney to the domicile of his heart's desire.

There was another high priced error in the sixth. Herzog fumbled Beaumont's grounder. Beck sacrificed and the Beau went to third on a wild pitch. Starr belted him home with a rasping drive to Fletcher.

The New Yorks made a stand in the seventh, but too brief. Herzog was passed and went to third when Becker fumbled McCormick's single. McCormick figured on a throw to third and was caught half way between the bases on Becker's return to second. The Boston set about to run him down and in a picturesque pursuit sent him when Harry, having in mind the adventure of the distinguished hunter and the Grant's gazelle, emulated the latter and slipped under Murray's strike out and Herzog came in on Tenney's out, Mattern to Beck. The score: Boston, 10 0 0 1 1 0 0 0—7-2
New York, 0 0 0 1 0 0 0 0—2-7-2
Batteries: Mattern and Smith; Marquard, Witte and Meyers.

St. Louis, April 27.—Pittsburgh defeated St. Louis yesterday afternoon, 4 to 2, in twelve innings. The home team tied up the score in the ninth and some poorly judged fielding gave the game to the visitors in the twelfth. The score: Pittsburgh, 1 0 0 1 1 0 0 0 0 0 1—4-11-1
St. Louis, 0 1 0 0 0 1 0 0 1 0 0—3-8-4
Batteries: Phillips, Lefeld and Gibson; Sallee, Moore, Lush and Bresnahan.

Cincinnati, April 27.—The Cubs struck two hitting streaks yesterday, driving Campbell from the box in the second inning and forcing Ron to retire in the eighth. Overall, pitching for Chicago, was steady throughout. The fielding of Oages was a feature. The score: Cincinnati, 0 0 0 0 1 0 0 1 0—2-7-2
Chicago, 1 1 0 0 0 0 0 4 0—10-3-0
Batteries: Campbell, Ragon, Karger and McLean; Overall and Moran.

Philadelphia, April 27.—Brooklyn's initial appearance of the 1909 campaign did not impress the crowd at Broad and Huntington streets yesterday as an improvement over the clan Pat Donovan had under his wing last year.

The Philadelphia hammered McIntire hard all through the game, yet had he received the backing up Moran did the Murray would have been compelled to land the game. The erratic work of John Hummel at short stop gave the Philadelphia two of their six runs.

The Brooklyn made a desperate effort near the finish and in the last inning they had the satisfaction of driving Moran off the rubber. Covaleski quickly stopped Brooklyn's batting rally. The score: Philadelphia, 3 0 0 1 0 0 2—6-13-1
Brooklyn, 0 0 2 0 0 0 1 1—7-5-0
Batteries: Moran, Covaleski and Dooin; McIntire and Dunn.

WOMEN EAT TOO MUCH AND DON'T EXERCISE

So said a famous woman athlete and beauty in a lecture at Boston the other day.

Women ought to exercise, of course. Most American women do exercise. As bread-winners and housekeepers most of them get all the exercise required.

That they eat too much is a question. American women are sensible and know that overloading the stomach causes misery and indigestion, and should be avoided.

But many women have severe attacks of indigestion, belching of gas, wind on the stomach, sour foot, and sickness, symptoms, not because they eat too much, but because they have eaten the wrong kind of food.

The best way to get rid of indigestion is to put the stomach in perfect condition. This you can do by going to your druggist and getting a 50c box of Mi-o-na tablets, which are guaranteed to cure, or money back. Then read carefully the little circular you will find in every box, and it will tell you how to use the stomach good after you get it good.

Mi-o-na is sold in every town in America. It is a certain cure for indigestion, sour foot, and sickness, symptoms, not because they eat too much, but because they have eaten the wrong kind of food.

Chicago, April 27.—The Chicago Americans again defeated the St. Louis Browns yesterday by the score of 1 to 0. The game was played while workmen cleared away the ruins of the stand destroyed by fire Sunday night. The score: Chicago, 1 0 0 0 0 0 0 0—1-2-1
St. Louis, 0 0 0 0 0 0 0 0—0-2-1

Moran Bests Neil in New Haven Bout

(Special from United Press.)
New Haven, April 27.—Owen Moran, the English lightweight, easily out-pointed Frankie Neil, the Californian bantam weight in their twelve round bout here last night. The fight was one of the fastest ever witnessed by the local fans and although Moran had his opponent at his mercy from the first he was unable to land a knock-out blow. After a part of his fight and although the little Englishman pounded him all around the ring, he always came back for more in the next round. Moran displayed great foot work and his steadfastness in jabbing and swinging on Neil's face proved the latter's undoing.

RICH MISER'S ESTATE IN GREENWICH SETTLED AFTER LONG LITIGATION

Greenwich, Conn., April 27.—When David S. Husted, a rich miser, who lived next door to William G. Rockefeller, in Lake Avenue, died in 1904 of cancer, after a part of his skin had turned black, a claim was made against the estate for a note of \$25,000 by Mrs. J. J. Burnell, which she alleged had been given her by Husted in payment for a home with her for life and a bill of \$12,000 for medical treatment by Dr. J. J. Burnell, her husband, in whose house Husted died. The case, after being in the probate court here for nearly five years, has at last been settled. Dr. Burnell and wife accept \$10,000. Meanwhile the costs of the Commissioners have amounted to \$10,672.70. The entire estate was valued at \$34,524.41. The heirs, William Abel Husted and Mrs. Mary Reynolds of Port Chester, have \$11,601.51 left to be distributed, although the property has been doubled in value since the inventory was filed.
